

February 23, 2013

Dear RIWGA Members,

We're looking forward to a great 2013 golf season. As you can see from the calendar the Tournament Committee has put together a terrific schedule for the upcoming season.

On line registration is now open for the 2013 season or you may mail in the enclosed application. Tournament registration will open in the coming weeks.

We are moving forward in discussions with the RIGA to merge the two Associations by January 1, 2014. A joint committee is being formed to develop by-laws for the new Association. We will also have a USGA intern working for us this season as a result of our working with the RIGA to achieve this merger. The RIGA has also announced that there will be a girl's division in the Junior State Championship which will give our girls yet another opportunity for competition.

I'd like to encourage everyone to get out and play this season to support our member clubs. Please also consider playing in some of the Team Out competitions such as the RI/CT matches, NEWGA and the Endicott Cup/Tri State matches. As many of you know we had a major achievement last fall in winning both the gross and net divisions of the Tri State matches. It would be great if we could repeat in 2013!

Regards,

Judy Davis
